CELEBRATE LIFE

Life isn't just about milestones; it's about the small joys, the laughter in between, the connections we make, and the memories we carry.

Celebrating life means embracing today, honoring the people who make our journey meaningful, and finding beauty even in the ordinary.

It's not about waiting for the perfect moment—it's about making every moment count. Whether through gathering with loved ones, chasing dreams, or simply pausing to appreciate the present, celebrating life reminds us that happiness is found in living fully, not just existing.

So let's lift each other higher, cherish what we have, and keep creating reasons to smile. Because life isn't guaranteed—but it is worth celebrating. Always.

WEDDING PROPOSAL

An Elaborate Plan to Capture the Perfect Proposal

This is not small!!!! Everyone is going to ask you how did you propose or how were you proposed, and You want it to be PERFECT!

You will decide the When, and we'll help you with the How, the Where, and the WOW!

W E D D I N G P R O P O S A L

Our planning is nothing but ordinary,
because there's nothing ordinary in such
an decisive moment.

The What

Sometimes you just can't keep a secret
and you just can't hide the wedding
rings...so we buy it for you and just leave
it in the exact spot where you'll make the
proposal.

The Where and When

There are times when both want to be
surprised so we don't even disclose the
exact location or when it will occur, and
you just know it will happen in one of the
days.

The WOW

Some couples want something just simple
and beautiful, others something lavish
and extravagant....

The Memories

We plan, execute and give you the photo
shooting and video shooting at the end,
so you can have that special moment to
share with friends and family.

Portugal is an **Inclusive destination** for weddings, **allowing gay marriages since 2010.**

If the country of your nationality does not allow same sex weddings, then, instead of the marriage capacity certificate, we will need a statement from your country declaring that same sex weddings are not permitted. Usually we get this statement through the embassy of your country in Portugal.

The wedding is valid and recognized in any country that allows same sex weddings

It's not a wedding... it's an **INCLUSIVE**
Wedding.

This make all the difference in planning
and execution.

As we hold a legal travel agency licence,
we can manage all services without
limitations or without needing third
parties or sub hiring. This means you will
have full control anytime.
